Grade 7 Bands Participate in Canada's National Music Festival

Peter Dubinsky, Director of Instruction, outlined the district's longstanding elementary band program that has over 1,200 participants. The bands in three-quarters of the district's elementary schools are led by an itinerant band teacher.

Peter Wenzek, itinerant band teacher, introduced the combined grade 7 band from Westridge Elementary and Stride Avenue Community schools. After only their second time of playing together the students had entered the Vancouver Kiwanis Band Festival and so impressed the adjudicators that they had been invited to attend Music Fest, Canada's national music festival. The students played two selections - Kitty Hawk March and Aztec Sunrise, both by John Edmondson.

Burnaby Schools Excel at Science Fairs

Donna Morgan, Science and Mathematics Program Consultant, outlined the science fair process whereby students start their research in October, hold in-class science fairs in January and the finalists are chosen to present at the Greater Vancouver Regional Science Fair at UBC in April. This year 19 of the district's projects won awards at the UBC fair and almost half of the 300 participants were Burnaby students. Eight students went on to participate in the Canada-Wide Science Fair held May 15-17 in Fredericton, New Brunswick.
